BY THE GOVERNOR OF THE STATE OF UTAH

A PROCLAMATION

In order to preserve the unappropriated and surplus waters of the sources hereinafter described, for use by irrigation districts and organized agricultural water users, and in the interest of the welfare of the State of Utah, I, HERBERT B. MAW, Governor of the State of Utah, upon the recommendation of the State Engineer and pursuant to and by virtue of the authority vested in me by Section 100-8-1, U.C.A. 1943, do hereby temporarily suspend the right of the public to appropriate the surplus or unappropriated waters of the following sources:

That area bounded on the south and southwest by the water parting between the Great Basin and the Colorado River Drainage which said water parting follows the irregular crest of the mountains north of Pine Valley, Santa Clara Valley and Beaver Dam Valley; bounded on the west by a saddle in the neighborhood of the Town of Modena and the water parting of the extension of the Wah Wah Mountains; bounded on the east by the water parting between Cedar City Valley and the Escalante Desert, which crosses the Beaver River at the Minersville Dam, and bounded on the north by the township line between Township 30 South and Township 31 South, provided however that there is excluded from this withdrawal order isolated water holes and springs which do not contribute materially to or form a part of the water sources described herein and, provided further, that water for domestic purposes and for stock watering purposes is excluded from this withdrawal order.

Such suspension shall remain in full force and effect until the right of public appropriation of such waters is restored by a proclamation of the Governor, as provided by Section 100-8-2, U.C.A. 1943.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Utah.

Done at the State Capitol, Salt Lake City, Utah, this 10th day of April 1946, at 4:30 P.M.
